**Subject:** New Hampshire Ball Bearings, Inc. / NMB Technologies Corporation / Myonic  
**CERTIFIED RELUBRICATION FACILITY**

It is my pleasure to inform you that Intercontinental Bearing Supply Co. Inc. (IBSCO) is hereby re-approved as an authorized NHBB / NMB and Myonic Certified Re-Lubrication Facility. This designation allows the holder to wash and lubricate bearing assemblies, and includes the removal and replacement of removable bearing shields, and seals, provided that all replacement components are furnished by NHBB for NHBB product, NMB for NMB product and myonic for myonic product. At no time are you approved to substitute NHBB components for use on NMB or myonic bearings or NMB/ myonic components on NHBB bearings. Full bearing and component traceability must be maintained at all times.

This authorization does not include bearings with closures considered to be non-removable. Continuation of this authorization requires reaffirmation of compliance by **September 30, 2025**.

Please do not hesitate to contact me if we can be of further assistance.

Best regards,
